

SIS30413 CERTIFICATE III OUTDOOR RECREATION

TURN YOUR PASSION INTO A CAREER

Why should I study Outdoor Recreation with AISR

If you are the type of person who loves the outdoors and wanting to improve your outdoor leadership skills, AISR's Outdoor Recreation courses have been designed with you in mind. The course is also undertaken by many teachers/educators to allow them to be qualified guides in outdoor activities.

What makes it even more of an exciting opportunity is that **Certificate III funding is NOW available** for eligible Queenslanders; not in school and not completed a Certificate III. Check your eligibility now on our website! If you are still in a Queensland school AISR may provide funding under the Certificate II Outdoor Recreation, check our website for details!

Experience the challenges, enjoy the natural environment and develop your skills in:

- SCUBA Diving
- Kayaking
- Canoeing
- Abseiling
- Rock Climbing
- Bushwalking & Navigation
- Challenge Ropes
- First Aid (CPR, Provide First Aid, First Aid Childcare and education settings, First Aid Remote Locations, Advanced resuscitation-Oxygen)

Outdoor recreation students enjoy an outdoor classroom, with much of the instruction for the course taking place in the outdoors by highly qualified experts with years of industry experience and a passion for imparting their knowledge to deliver you the right training you need to reach your goals.

AISR has been providing excellence in education since 2007. We are committed to providing education that prepares people to make a significant difference in the world.

AGI T/A AISR National Provider 31690

Certificate III in Outdoor Recreation

The Certificate III in Outdoor Recreation provides you the skills to independently participate in and guide several outdoor recreation activities.

Locations Offered:

AISR's main office is located in Brisbane and offers training throughout Queensland utilising co-providers to create special training hubs that provide the highest quality training to ensure outcomes exactly match what this dynamic industry needs. Our website has information about the nearest location to you.

Study Mode:

AISR offers blended or full-onsite training, whichever best suits you needs. Blended allows you to cover many topics online through our online learning portal with the practical conducted at a training hub. Full-onsite allows you to stay onsite or attend daily face to face training for your entire program.

Course Duration:

Duration will vary pending mode of study and time commitment. Fulltime study often ranges from 3 to 6 months

ENTRY REQUIREMENTS

Completion of Year 12 is recommended for entry, although positive consideration is given for those who have completed Year 10. It is expected that you maintain reasonable fitness levels throughout your course

WHERE IT COULD TAKE YOU

 Outdoor Recreation courses train you for employment in the following areas:

- Sport and recreation centres
- Wilderness adventure camping and tourism
- Guiding with commercial adventure-based operators
- Outdoor education and adventure therapy programs
- Commercial guiding and instructing
- Camping and outdoor recreation centres
- Vocational training

The course is a pathway for Teachers/Guidance officials to become qualified guides (Government recognised) and credits/exemptions can be applied to save you time! Funding is normally available!

CERTIFICATE III OUTDOOR RECREATION

(SIS30413)
